BUYER'S TERMS AND CONDITIONS OF PURCHASE

DEFENSE FEDERAL ACQUISITION REGULATION SUPPLEMENT (DFARS)
AND FEDERAL ACQUISITION REGULATION (FAR) FLOWDOWN PROVISIONS
FOR PURCHASE ORDERS UNDER A U.S. GOVERNMENT CONTRACT

This Appendix A shall apply to Goods, Service, Software and/or Works supplied under any Order placed by Buyer which
incorporates this document by reference. Buyer and Supplier shall be the same as those defined in the Order listing this
Appendix A.

I. The FAR and DFARS clauses cited herein are incorporated by reference at the effective version found in Buyer's Prime
Contract or higher-tier subcontract under which the Order relates (is a subcontract) and with the same force and effect
as if they were given in full text, including any notes. In the event of any conflict between the provisions listed herein
and any other terms of the Order, the terms of the Order shall supersede.

II. The listed FAR and DFARS clauses are incorporated herein as if set forth in full text of the Order and shall apply to the
extent which that clause is not otherwise exempted or excluded by the applicable Federal Acquisition Regulation
("FAR") or Defense Federal Acquisition Supplement ("DFARS") regulation or provision.

III. Supplier shall include the appropriate FAR and DFARS clauses as required in any lower-tier Subcontract.

IV. Where necessary to derive the proper meaning under any applicable FAR and DFARS clauses, the terms "Contractor"
means "Supplier", Contracting Officer and/or Administrative Contract Officer means "Buyer", "Contract" means the
Order incorporating this Appendix A and "Government" and "United States" means "Buyer or the Government" as
applicable. However, the words "Government" and "Contracting Officer" do not change: (1) when a right, act,
authorization or obligation can be granted or performed only by the Government or the Prime Contract Contracting
Officer or duly authorized representative, (2) when title to property is to be transferred directly to the Government and
(3) in FAR 52.227-1, 52.227-2 and DFARS 252.227-7013 and 252.227-7014.

V. Supplier and Supplier's subcontractors shall abide by the requirements of 41 CFR 60-1.4(a), 41 CFR 60-300.5(a) and
60.741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected
veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, colour,
religion, sex or national origin. These regulations require affirmative action by covered prime contractors, and
subcontractors to employ, and advance in employment of individuals without regard to race, colour, religion, sex,
national origin, protected veteran status or disability. For the avoidance of doubt subcontracts shall include sub-
suppliers in all forms.

VI. Any reference to "Disputes" clause shall mean Disputes/Jurisdiction in Buyer's terms and conditions of purchase
referenced in the Order.

VII. In the event that the U.S. Government modifies the FAR or FAR supplements, or otherwise passes laws or regulations
and such FAR, FAR Supplements, laws or regulations, include a requirement for Buyer to flow down such requirements
to Supplier, then such FAR, FAR Supplements, laws or regulations shall apply to Orders placed including this Appendix
A after the date that such FAR, FAR Supplements, laws or regulations become effective and shall take precedence over
any conflicting provisions contained in this Appendix A with respect to Works destined for US Government end use.

VIII. Notwithstanding anything herein to the contrary in this Appendix A Supplier confidential financial data, including but
not limited to rates and make up of such rates, shall only be submitted directly to the US Government.

IX. If Buyer furnishes designs, drawings, special tooling, equipment, engineering data, or other technical or proprietary
information (Furnished Items) which the U. S. Government owns or has the right to authorize the use of, nothing
herein shall be construed to mean that Buyer, acting on its own behalf, may modify or limit any rights the Government
may have to authorize Supplier's use of such Furnished Items in support of other U. S. Government prime contracts.

X. The following clauses apply to this Contract: (a) For Orders issued on or after June 21, 2010, the requirements of 29
CFR Part 471, Appendix A, if applicable. (b) Supplier shall indemnify and hold Buyer harmless from and against any
price reduction in Buyer's Government contract, as well as Buyer's reasonable attorney fees and other direct costs to
defend Government contract claims when said reduction is attributable to the failure of Supplier or Supplier's
subcontractors to properly discharge applicable duties under the Truth in Negotiation Act, the Cost Accounting Standards and other applicable clauses incorporated by reference in accordance with this provision.

XI For the purpose of administering FAR 52.227-10, FAR 52.227-11, FAR 52.227-12, DFARS 252.227-7038, or NASA PR 1852.227-10, Supplier shall contact Buyer’s Authorized Representative to obtain the name and the address for the required reports. If there is any invention or discovery made which is or may be patentable, Seller must notify Buyer of such invention. Reports of inventions and subcontractors, including interim reports, final reports, utilization reports, and other reports required by the aforementioned clauses, as well as any correspondence with respect to such matter, should be directed to the Contracting Officer unless transmitted in response to correspondence or request from Buyer’s Authorized Representative. Inquiries or requests regarding disposition of rights, election of rights, or related matters should be directed to the Contracting Officer.

XII Without Buyer’s prior written approval, Supplier shall not, and Supplier’s subcontractors at any tier shall not, release any publicity, advertisement, news release or denial or confirmation of the same regarding this contract or the Goods or program to which it pertains. Supplier shall be responsible and liable to Buyer for any breach of such obligation by any subcontractor. Supplier shall incorporate a similar provision in all subcontractors under this contract.

XIII Supplier warrants that neither it nor any of its employees, agents, or representatives have offered or given, or will offer or give, any gratuities to Buyer’s employees, agents or representatives for the purpose of securing this contract or securing favorable treatment under this contract.

XIV Supplier shall (i) comply with all applicable country laws relating to anti-corruption or anti-bribery, including but not limited to legislation implementing the Organization for Economic Co-operation and Development "Convention on Combating Bribery of Foreign Public Officials in International Business Transactions" (the "OECD Convention") or other anti-corruption/anti-bribery convention; (ii) comply with the requirements of the Foreign Corrupt Practices Act, as amended, (FCPA) (15 U.S.C. § 78dd-1, et seq.) regardless of whether Seller is within the jurisdiction of the United States; and (iii) neither directly nor indirectly, pay, offer, give, or promise to pay or give, any portion of monies or anything of value received from Boeing to a non-U.S. public official or any person in violation of the FCPA and/or in violation of any applicable country laws relating to anti-corruption or antibribery.

1. Technical data pertaining to items, components, or processes or computer software generated or delivered by either Contractor or its subcontractors under prior contracts from September 29, 1995 to October 18, 2006, will be treated as if the C-130J was a commercial item. *Prime Contract FA8625-16-D-6458 (FYOC V)* Technical data pertaining to items, components, or processes developed after October 18, 2006 by either Contractor or its subcontractors will be governed by DFARS 252.227-7013 (Jun 2013) or 252.227-7015 (JUN 2013), as applicable.

4. Noncommercial computer software developed by either Contractor or its subcontractors shall be governed by DFARS 252.227-7014 (MAY 2013).

**IDENTIFICATION AND ASSERTION OF USE, RELEASE, OR DISCLOSURE RESTRICTIONS FOR TECHNICAL DATA AND COMPUTER SOFTWARE (DEC 2016)** In this clause, “Contractor” means “SELLER”. SELLER shall flow down this clause to its subcontractors.

(a) Definitions. Terms used in this special contract requirement (SCR) have the same meaning as set forth in the following clauses:

1. DFARS 252.227-7013 RIGHTS IN TECHNICAL DATA - NONCOMMERCIAL ITEMS;
2. DFARS 252.227-7014 RIGHTS IN NONCOMMERCIAL COMPUTER SOFTWARE AND NONCOMMERCIAL COMPUTER SOFTWARE DOCUMENTATION;
3. DFARS 252.227-7015 TECHNICAL DATA – COMMERCIAL ITEMS; and
4. DFARS 252.227-7017 IDENTIFICATION AND ASSERTION OF USE, RELEASE, OR DISCLOSURE RESTRICTIONS.

(b) Identification and Assertion of Use, Release, or Disclosure Restrictions. The Contractor shall assert to all noncommercial technical data and noncommercial computer software in accordance with DFARS 252.227-7017. The Contractor shall also assert to all commercial technical data (that is, technical data governed by DFARS 252.227-7015) for which the Contractor intends the Government to take less than an unrestricted right, in the format set forth in DFARS 252.227-7017. When providing assertions in accordance with or in the format set forth in DFARS 252.227-7017, the Contractor shall ensure that the technical data and computer software are identified by specific reference to the requirement for the delivery of that technical data or computer software in the contract (e.g., by referencing the associated CLINs, SDRLs, or paragraphs in the statement of work).

(c) Updates. The Contractor (including its subcontractors or suppliers at any tier) may supplement or revise assertions in accordance with the DFARS 252.227-7013(e) and/or 252.227-7014(e), as applicable, based upon new information or inadvertent omissions in the format referenced in paragraph (b) above. DFARS 252.227-7013(e) and 252.227-7014(e) shall apply to assertions for noncommercial technical data and noncommercial computer software, respectively. Further, with respect to technical data governed by DFARS 252.227-7015, the Contractor (including its subcontractors or suppliers at any tier) may supplement or revise assertions based upon new information or inadvertent omissions following the procedures of DFARS 252.227-7013(e) and in the format referenced in paragraph (b) above.

(d) All DFARS clauses contained in this contract remain in effect. In the event there is any conflict between the language in this clause H-122 and the terms of any DFARS clauses contained in this contract (i.e. 252.227-7013 (Feb 2014), 252.227-7014 (Feb 2014), 252.227-7015 (Feb 2014), and 252.227-7017 (JAN 2011)), the language in such DFARS clause shall supersede the conflicting language. If any part of this clause H-122 is found to be in conflict with a DFARS clause contained in this contract (i.e., 252.227-7013 (FEB 2014), 252.227-7014 (FEB 2014), 252.227-7015 (FEB 2014), and 252.227-7017 (JAN 2011)), the remaining language in this clause will continue to be valid and enforceable.
requirement, the contractor must contact the contracting officer representative (COR) for guidance. When a buffer has been established, the following process must be used to submit requests for buffer material. A defense contractor (or sub-tier contractor supporting a prime contractor) with a current, active U.S. Government contract must submit a valid request to use a material buffer to the COR for the respective material buffer. The COR will review the submittal and approve or disapprove the request. The request should include the following information: (i) Requestor’s name; (ii) U.S. Government contract number; (iii) Defense Priorities and Allocations System (DPAS) rating; (iv) Material specification; (v) Quantity required; and (vi) Required delivery date. (vii) Whether there is a pre-existing supply contract with the material buffer contractor. (2) If no prior contractual relationship exists between the defense contractor requesting access to the material buffer and -the material buffer contractor, the material buffer contractor is authorized to enter into a contract – to provide material from the buffer – once a valid request has been approved by the COR. This action must be included in the monthly report submitted to the COR. When requests exceed the buffer’s maximum monthly material availability, the material supplier may negotiate phased delivery of material across the material monthly availability; or the Government COR may prioritize the release of the material at the Government’s discretion. (3) Contractors accessing the material buffer will be charged the material price identified in any preexisting contract with the material buffer contractor. For those defense contractors not having a preexisting contract with the material buffer contractor, they must be charged the standard (not spot market levels) pricing for the material. Contractors using the buffer are solely responsible for costs of using the buffer, and the Government has no liability either for these costs or for delays or other effects arising from the use of the buffer. (4) The buffer material provided is not Government-furnished material, but is a normal vendor-to vendor transaction with all applicable warranties and guarantees provided through the commercial transaction.

Federal Acquisition Regulation (FAR)

52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions
(Applicable to solicitations and contracts exceeding $150,000)

(a) Definitions. As used in this provision--
"Lobbying contact" has the meaning provided at 2 U.S.C. 1602(8).
The terms "agency," "influencing or attempting to influence," "officer or employee of an agency," "person," "reasonable compensation," and "regularly employed" are defined in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12).

(b) Prohibition. The prohibition and exceptions contained in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12) are hereby incorporated by reference in this provision.

(c) Certification. SUPPLIER hereby certifies to the best of its knowledge and belief that no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with the awarding of an Order.

(d) Disclosure. If any registrants under the Lobbying Disclosure Act of 1995 have made a lobbying contact on behalf of the offeror with respect to this Order, SUPPLIER shall complete and submit, with its offer, to BUYER OMB Standard Form LLL, Disclosure of Lobbying Activities, to provide the name of the registrants. SUPPLIER need not report regularly employed officers or employees of the offeror to whom payments of reasonable compensation were made.

(e) Penalty. Submission of this certification and disclosure is a prerequisite for making or entering into this Order imposed by 31 U.S.C. 1352. Any person who makes an expenditure prohibited under this provision or who fails to file or amend the disclosure required to be filed or amended by this provision, shall be subject to a civil penalty of not less than $10,000, and not more than $100,000, for each such failure.

52.209-5 Certification Regarding Responsibility Matters.

(a) (1) SUPPLIER certifies, to the best of its knowledge and belief, that--

(i) SUPPLIER and/or any of its Principals--

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of Orders by any Federal agency;

(B) Have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(1)(i)(B) of this provision; and

(ii) Supplier has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.
(D) Have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds $3,500 for which the liability remains unsatisfied.

(i) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples. (i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(2) Principal, for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division, or business segment; and similar positions).

(b) SUPPLIER shall provide immediate written notice to BUYER if, at any time prior to contract award, SUPPLIER learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that SUPPLIER knowingly rendered an erroneous certification, in addition to other remedies available, BUYER may terminate this contract for default.

52.222-22 Previous Contracts and Compliance Reports.

(a) SUPPLIER represents that if SUPPLIER has participated in a previous contract or subcontract subject to the Equal Opportunity clause (FAR 52.222-26): (1) Supplier has filed all required compliance reports and (2) that representations indicating submission of required compliance reports, signed by proposed subcontractors, will be obtained before subcontract awards.

(b) Paragraph (a) applies only to the extent (1) SUPPLIER performs work in the United States, or (2) recruits employees in the United States to Work on this Contract.

52.222-25 Affirmative Action Compliance

(a) SUPPLIER represents: (1) that SUPPLIER has developed and has on file at each establishment, Affirmative
Action programs required by the rules and regulations of the Secretary of Labor (41 CFR 60-1 and 60-2), or (2) that in the event such a program does not presently exist, SUPPLIER will develop and place in operation such a written Affirmative Action Compliance Program within one-hundred twenty (120) days from the award of this Contract.
